Introducing Swarovski

Luxury built on heritage

Luxury is built on heritage. Still run by the same family five generations after Daniel Swarovski established it in 1895, Swarovski is today the global leader for superb cut crystal, a byword for brilliance.

Its proud heritage of leading-edge creativity and technological innovation began in Wattens, a beautiful market town in the mountains of Austria's Tyrol region. Today, that legacy is recognized all over the world for its distinctive style, exceptional quality, and service that is second to none.

About this Collection

Build lasting business partnerships, employee engagement and customer loyalty, with unforgettable corporate gifts that bring luxury into everyday life.

Each piece offers high-end design created using flawless, precision-cut crystal that will be appreciated and treasured. Choose from home décor, jewelry, timepieces, fashion accessories, collectibles and stationery.

Swarovski will help you to find the perfect gift that expresses your appreciation, meets your company's needs, tastes and style preferences, and most importantly, that creates a long-lasting memory.
